

River – Publication of H1 2022 Report

Malta, 31 August 2022:

RIVER TECH P.L.C. (the “Company”, and together with its subsidiaries, the “Group”) has published its H1 2022 report.

The Report demonstrates that the Group, while managing costs effectively, has maintained the momentum built in previous years, continuing to grow and expand, and exceeding budgeted targets and expected revenue, quarter-on-quarter.

This position allows the Group to pay off all its loans by Q2 2023. The Company will therefore be debt free in 2023 and, in turn, shall become a dividend-paying Company.

The Group continues to work towards becoming a leading B2B provider of high-quality technological services, utilising cutting-edge technologies and offering a unique product. More information about new clients and projects will be made available in due course.

The report can be downloaded at <https://www.river.tech/investor-relations/> and is also attached to this announcement.
